Mark Twain Communications Company's demonstration of complying with applicable service quality standards and consumer protection rules:

In establishing this certification in its 2005 ETC Order,<sup>1</sup> the FCC found that an ETC must make "a specific commitment to objective measures to protect consumers." <sup>2</sup> The Commission found that for wireless ETCs, compliance with CTIA's Consumer Code for Wireless Service would satisfy this requirement and that the sufficiency of other commitments would be considered on a case-by-case basis. In this context, the FCC stated, "to the extent a wireline or wireless ETC applicant is subject to consumer protection obligations under state law, compliance with such laws may meet our requirement."

Mark Twain Communications Company ("Company") hereby certifies that it is complying with applicable service quality standards and consumer protection rules. The Company complies with service quality and consumer protection provisions under state law. These provisions include, but are not limited to, the following: (1) filing a Local Exchange Tariff pursuant to the requirements of The Missouri Public Service Commission which discloses rates, terms and conditions of service to customers; (2) compliance with state consumer protection provisions relating to Customer Services as identified in section 4 CSR 240-32.050 of the Missouri Code of State Regulations; (3) compliance with provisions for Quality of Service as identified in section 4 CSR 240-32.070 of the Missouri Code of State Regulations; (4) compliance with Service Objectives as identified in section 4 CSR 240-32.080 of the Missouri Code of State Regulations; (5) compliance with customer Inquiry procedure as identified in 4 CSR

<sup>&</sup>lt;sup>1</sup> Federal-State Joint Board on Universal Service, CC Docket No. 96-45, Report and Order, FCC 05-46 (rel. Mar. 17, 2005) ("2005 ETC Order").

<sup>&</sup>lt;sup>2</sup> *Id.* at para. 28.

240-33.060 of the Missouri Code of State Regulations, compliance with Dispute standards as identified in 4 CSR 240-33.080 of the Missouri Code of State Regulations; (6) compliance with truth-in-billing requirements; and (7) compliance with Federal CPNI rules, Red Flag Rules and other applicable federal and state requirements governing the protection of customers' privacy.

# Mark Twain Communications Company Ability to Function in Emergency Situations

Mark Twain Communications Company ("Company") hereby certifies that it is able to function in emergency situations as set forth in the Code of Federal Regulations, Title 47, Part 54, Subpart C, §54.202(a)(2)<sup>1</sup> and the Missouri Code of State Regulations. The Company's network is designed to remain functional in emergency situations without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required by Section 54.202(a)(2). The Company can change call routing translations as needed to reroute traffic around damaged facilities. Changing call routing translations will also allow the Company to manage traffic spikes throughout its network, as emergency situations require.

Specifically, each central office building is supplied with standby generators and battery reserve that enable the central office to keep running until power is restored so long as fuel is available, or until system changes are made to reroute traffic. The Company has battery backup at all office locations and in its electronic equipment sites and has a maintenance program in place as described in section 4 CSR 240-32.060 of the Missouri Code of State Regulations.

<sup>&</sup>lt;sup>1</sup> Section 54.202(a)(2) requires ETCs that are designated by the Commission to "demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations."
